

YOU ARE NOT ALONE!

Human. Reliable. Understanding.

Counselling in accordance with §67 SGB XII is aimed at people with particular social difficulties.

We look at it together – and search for solutions that suit your situation.

What we offer

- * personal counselling and support
- * assistance in dealing with authorities and institutions
- * transfer to outpatient assistance and support services
- * stabilisation in acute crisis situations

OUR ASSOCIATION

Ezidische Akademie e.V. was founded in 2009. The focus of our association is professional, cultural and political education, as well as psychosocial counselling and migration support through intercultural and educational projects and language courses.
